 - how-to information, maps, tools to help you find your ancestral town, databases based on countries, family trees, and so much more
 - **JewishGen Discussion Group: <http://www.jewishgen.org/JewishGenDiscussionGroup.htm>**

<The JewishGen Discussion Group is an internet forum which fulfills the vision to unite Jewish genealogical researchers worldwide as they read and discuss each day's messages. They share information, ideas, methods, tips, techniques, case studies and resources. Their dedication is to Jewish family history with particulars from their own family lore and reminiscences. Not only do they want to know more, most JewishGenners are very willing to help others along the way. This continual sharing is the very essence of JewishGen>
